

IMPORTANT SUBMISSION TIPS

When sending in submissions for the Beaver Tales please use the following as a guide:

- Send it as either an email or as a Microsoft Word file and name the file (i.e. barrie.doc)
- Use Arial as the font and a size of 12!
- With the advent of word processing we no longer indent paragraphs and there is only one space after a period in a sentence.
- There should be a blank line between paragraphs.
- Do not send submissions in uppercase as the editors have to use valuable time in converting it for use.
- Have another member of your club proof the submission for grammar and correct spelling.
- Please write in the third person (i.e. Our club).

Your cooperation will be greatly appreciated by the editors.
