Elections are run in accordance with the Junior Civitan International Constitution and By-Laws. Each year a Governor, Deputy Governor, Secretary, PR Coordinator (Although International know longer has this position the District will continue to have someone serve as PRC), and two Lieutenant Governors. These positions are for a one year term commencing July of each year. Any member of Junior Civitan may run for District Office and it is strongly suggested that candidates review the job descriptions of any position they intend to run for. It is expected that any member elected to the Canada District West Junior Civitan Board will attend Officer Training. The District Junior Board meets usually twice a year and attendance is expected at District Meetings and Conventions.

Candidates wishing to run for office are encouraged to submit their name and position in advance of elections. However nominations from the floor will be accepted.

Elections will be run by the Governor of the District and will be held in the following sequence.

- Submitted nominations will be read and recorded.
- Nominations from the floor will be requested and recorded Candidates will be asked if they wish to stand.

A drop down system allows a member who chooses to run for a certain position to allow their name to be included in the list of candidates for another position on the Board.
