- Intent to Run for Inter-
national Office (in writing)
June 1, 2010

District Convention is Just Around the Corner

Start gearing up Junior Civitans because on **May 15, 2010**, it will be the annual Canadian West Junior Civitan District Convention!

It's going to be a lot of fun! From games, to a bonfire, it's going to be an event you wouldn't want to miss!

To run for a District position, be sure to fill out the "Intent to Run" form (found in the registration package) by **May 10, 2010**.

Also, CREED CLUB members are wanted!!! This is a reminder, to all Junior Civitans to join the Creed Club. Creed Club membership cards and pins

will be handed out if you recite the Junior Creed at the District Convention.

See you all there!

Jacksonville...Where's that?

On the warm summer days of June 24 - 27, 2010, hundreds of Junior Civitans and guests will be gathering at the Omni Hotel in sunny Jacksonville, Florida.

The 2010 International Convention promises to be one of the best ever, so

be sure to send your registration right away. The early youth registration fee is \$199 per delegate and is due post-marked by **May 27**. Registrations post-marked May 28 will require the additional \$25.00 fee.

Growth Honour Roll !

I am proud to announce that the Canadian District West is part of this year's Growth Honor Roll! Congratulations to all the clubs in their membership recruitment campaigns. Please continue to recruit members into your Junior Civitan club and continue to "Shine Throughout the World!"

Oakville Junior Civitan Club Chartered!

I am proud to announce the chartering of the **Oakville Junior Civitan Club** by the Oakville Civitan Club with the assistance of the District Board. I want to congratulate the chartering members for their enthusiasm in starting a club and helping to grow the Junior Civitan Canada-West District to six clubs!

Charter night was on **May 13, 2010** and I thank the Junior Civitans who came out and supported them.

GOALS GOALS GOALS

In order to be a successful district, we need to make goals and achieve them in a timely fashion.

Here are some goals we, as a district,

should be aiming for:

1. Honour Club status
2. Honour District
3. District Project of the Year

4. Creed Club (30 new members)

5. At least one article in Countdown Magazine
- Let's work together to achieve these goals this year!

"If success is not on your own terms, if it looks good to the world but does not feel good in your heart, it is not success at all."

-Anna Quindlen

Reporting to International...

Has your club been involved in any Environmental or Social Causes awareness campaigns? Has your club done anything for World Junior Civitan Day?

If so, please remem-

ber to report these events to Civitan International as soon as you can.

juniorcivitan@civitan.org

Remember: if they don't know about it, you can't be recog-

nized for it.

Don't delay and get reporting today!

Any Questions, Comments, Concerns?
